[Accelerate Brain Cancer Cure](#)

BethAnn has been fighting Brain Cancer since she felt a pop while running the Marine Corps Marathon in 2005. She is recovering from a major surgery this past March. She is training for her 12th Marine Corps Marathon in honor of children cancer warriors. BethAnn will dedicate each mile to a child currently fighting or has fought cancer. If you are unable to attend and would like to donate use the button to the left.
